Cocaine Anonymous is a fellowship of men and women who share their experience, strength and hope with each other so that they may solve their common problem and help others to recover from their addiction. The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances. There are no dues or fees for membership; we are fully self supporting through our own contributions. We are not allied with any sect, denomination, politics, organization, or institution. We do not wish to engage in any controversy and we neither endorse nor oppose any causes. Our primary purpose is to stay free from cocaine and all other mind-altering substances, and to help others achieve the same freedom.

We use the [Twelve Step Recovery Program](#), because it has already been proven that the Twelve Step Recovery Program works.

1994 - Two members of the 1994 Conference, Craig H. (Midwest Regional Trustee) and Jim S., a delegate from Northern California Area brought a motion to the Conference floor through the Public Information Committee. This motion was to obtain an internet domain (ca.org) and to put up a very limited web site on a server that Craig H. managed. The site was to be limited to the Preamble, the Self-Test and local telephone contact numbers. The "Escape Cocaine" billboard art was also used. This motion passed after considerable debate.

The **domain, ca.org**, was registered on **October 20, 1994**. The site was online shortly thereafter generating a small number of telephone contacts to CAWSO. There was no e-mail address. **CA was the first 12-Step Fellowship** to have such a web site— [AA.org](#) (1996-04-24) and Al-Anon.org (1996-07-23), NA.org (1997-06-12) all put up sites in the following years. Kevin M. was our first Web Master.

1995 - PI brought a motion to the Conference floor to add certain specified information to the website, such as "What is CA?", "...And All Other Mind-Altering Substances" and "To the Newcomer." The motion passed with an amendment to allow the PI committee to add Conference-approved information at its discretion.

Kevin M. undertook a redesign of the website. More pieces were added: a page on the Storybook, the PI Fact File, the 12 Steps and 12 Traditions, "Crack", and some of the results of the PI Survey of the previous year and an opening page describing the Fellowship and its goals. There was still no e-mail contact listed. This new version of the site went up, but it should *have been reviewed and approved first* by the WSBT and/or the WSOB, but none of them had Internet access!

1996 - The new website was formally announced at the Conference and made available for viewing by the fellowship. E-mail addresses for Public Information inquiries (pubinfo@ca.org) and for technical comments (webmaster@ca.org) were also created, and all of these addresses were listed on the web site.

Services Mondiaux des Cocainomanes anonymes

"Nous sommes ici et nous sommes libres"

E-Mail: montreal@ca.org

"Les Cocainomanes anonymes sont une association d'hommes et de femmes qui partagent entre eux leur expérience, leur force et leur espoir dans le but de résoudre leur problème commun et d'en aider d'autres à se rétablir de la cocaïnomanie. La seule condition pour en devenir membre se résume à un désir de cesser l'usage de la cocaïne et de toute autre substance qui altère le comportement. Il n'en coûte rien pour devenir membre. Nous suffisons à nos besoins par nos propres contributions. Les Cocainomanes anonymes ne sont associés à aucune secte, religion, groupe, association politique, organisation ou institution. Nous ne nous engageons dans aucune controverse, nous n'endossons ni ne contestons aucune cause. Notre objectif premier est de se libérer de l'usage de la cocaïne et de toute autre substance qui altère le comportement, et d'en aider d'autres à acquérir cette même liberté.

Nous nous servons [des Douze Étapes](#) pour le rétablissement, car il a été prouvé qu'avec le programme des Douze Étapes, ça marche."

Pourquoi C.A. ?

Les C.A. sont uniquement intéressés au rétablissement personnel et à la sobriété continue des individus toxicomanes qui s'adressent à l'association pour de l'aide. Nous ne nous engageons pas dans les domaines de la recherche en toxicomanie, du traitement médical ou psychiatrique, de l'éducation aux drogues, ou dans toute forme de propagande - même si certains de nos membres peuvent participer à de telles entreprises à titre personnel.

1996 - A motion was passed at the 1996 World Conference that any future *substantive* changes to the site would require Trustee or Conference approval and a motion was passed to translate the web site into French. The Montreal Fellowship translated the web site into French, and provided text and *detailed* information on how that text correlated to the English version, so that posting the French web site was merely a technical issue. **The French version of ca.org went up August 1, 1997, with WSO approval.**

First Online C.A. Meetings

On February 1, 1997, Kevin M., started the “Hope, Faith & Courage” (aka HFC) – the first Email-based meeting of Cocaine Anonymous. Initially a speaker/discussion meeting patterned after AA’s “Lamplighters” online meeting, but soon changed to mostly a discussion format.

In time, the “speaker” portion of the meeting was replaced by inviting people celebrating a birthday to post their stories online. After a slow start, the meeting began to thrive. Due to the very low initial cost of operating the meeting, no 7th Tradition was taken initially. After some discussion, and a long talk with former Trustee Bob L, it was decided that the HFC meeting needed to take a 7th Tradition, as this was the only one of the 6 points regarding group status that HFC was not currently meeting.

1998 - In August, the second subscriber meeting, an Email-based meeting, **"KISCA"—The "Keep It Simple CA" E-mail Group.** Each week we discuss a topic dealing with life in sobriety. In order to accommodate off-topic discussion, there is also an optional "Parking Lot" list. The Parking Lot is NOT a meeting, but, well...The Parking Lot.

1999 - Two more email meetings were formed: **"Sisters In Sobriety" is** an e-mail-based meeting of Cocaine Anonymous. SIS is a women's discussion meeting, where female addicts can talk more freely about issues pertaining to being a woman in sobriety. **"The Study"** of CA Online was for the purpose of an email-based Book Study meeting.

Hope, Faith & Courage

"Hope, Faith & Courage" E-Mail Group

The HF&C; E-mail Group is an Email-based meeting of Cocaine Anonymous.

Like most E-mail lists, each message to the list is echoed to each subscriber. In order to prevent unsolicited mailings to the group, we limit participation to subscribers. There are no dues or fees for a subscription -- the only requirement is a desire to stop using cocaine and all other mind-altering substances.

HF&C; is an E-mail group. *It is not a chat line.* It is best described as the world's slowest cross-talk meeting of C.A. The format is participation with an occasional "speaker."

We currently have over 200 members on 3 continents.

To **SUBSCRIBE**, [click here](#).

NOTE: To permit open discussion, HF&C; is only open to addicts who are seeking recovery. Friends and family of cocaine addicts should try Co-Anon, which also has an E-mail Group. They can be found at www.co-anon.org.

1997: NOVEMBER 20 PATTY TO A COCAINE ANONYMOUS NEWSGROUP: In addition to its chat rooms, where participants could “talk” in real time, the Internet provided virtual space for posting messages to ongoing “newsgroups,” where people with common interests could exchange information or ideas. The newsgroup was particularly useful forum for self-help programs, where participants could offer one another support, encouragement, and confessions. Patty, a crack addict who lived in a Pennsylvania town that had no Cocaine Anonymous, attended local Alcoholics Anonymous meetings and relied on an addiction newsgroup. She sent this letter to her on-line confidante’s while she was trying to stay clean after relapse.

International Online Area of Cocaine Anonymous

- The International Online Area of C.A. began as the Online District within the Area of CAUK in 2020 during the Covid-19 pandemic. Helping those who could not get to any face to face meetings, giving them the chance to begin or continue their recovery online. It began with just 6 aligned meetings.
- By 2021, The Online District had increased to nine meetings. Momentum continued in 2022 with 13 groups now part of the District and in 2023 it had expanded to 21. The pace of growth accelerated and 36 groups had now joined by 2024, and in 2025 the number had peaked at 54.
- In 2026, reflecting its maturity and international reach, the CAUK Online District voted with a 98% majority, to pursue global recognition. The district has now initiated the process to be formally acknowledged as the IOACA (International Online Area of CA), a fully Online Area within the European Region. (caonline.org)

17 Reasons Why Online Meetings Are Vital and Important to the Fellowship of Cocaine Anonymous

The creation of online areas and the service committees that serve the online member groups helps to remove any impediments that a suffering addict may encounter when trying to find the recovery they seek. Barriers to 12 Step recovery that online meetings can resolve include, but are not limited to:

1. Physical disabilities and/or liabilities.
2. Social anxiety, fear of anonymity breaches, reputation, etc.
3. Mobility and transportation issues i.e. no vehicle, can't drive, no license or access to a vehicle.
4. Old and infirm, i.e. physical weakness, instability, and mental insecurity.
5. Financial limitations/constraints.
6. Parents with children or other care-giving needs.
7. Geographical distance (nothing local is available).
8. Sickness and health issues.
9. Incarceration: treatment facilities, institutions, detox, hospital, hospice, etc.
10. On vacation or on a business trip or just out of the country or city and looking to attend a meeting
11. Inclement Weather Conditions: blizzards, severe thunderstorms, hurricanes, flooding, etc.
12. City Traffic/driving congestion and barriers to an in-person meeting, local parades, protests, curfews, sports games, etc
13. Pandemics, flu & cold season, etc.
14. In-person rooms can be physically threatening or dangerous i.e. predators, criminals, drug dealers, etc.
15. Age issues, adolescents, teenagers and young adults.
16. Travel Visas, Entering a country restrictions (i.e. criminal convictions) , passports, etc.
17. Venue and parking expenses i.e. rent, meeting insurance, damage deposits, etc.
